

Ensuring Your Safety...

The Board of Acupuncture, under the Florida Department of Health, Division of Medical Quality Assurance, is responsible for establishing and enforcing health care standards for the practice of acupuncture and oriental medicine. The Board reviews applications to ensure applicants meet all licensure requirements. They initiate investigations and take disciplinary actions when appropriate to ensure the safety of all people in Florida.

Help Protect Yourself...

It is illegal to practice acupuncture or to provide any medical or health care services to Florida residents and visitors without a valid, active license. The Department of Health has made the vigorous enforcement of licensure regulation one of its priorities.

You should always make sure that you have a qualified health care provider. Call the Department's toll-free unlicensed activity hotline at **1-877-HALT-ULA (1-877- 425-8852)**, or **e-mail us at HALTULA@doh.state.fl.us**

Medical Quality Assurance

The Florida Department of Health, Division of Medical Quality Assurance (MQA) is responsible for regulating all health care practitioners in Florida. MQA ensures that skillfully trained health care personnel are caring for the people of Florida. All licensed health care professionals in Florida are required to continue their education and remain current in their profession.

Department of Health Mission:
To promote and protect the health and safety of all people in Florida through the delivery of quality public health services and the promotion of health care standards.
